

CCD MISSION STATEMENT

The mission of the Saint David Catholic Church Religious Education Program is to instruct students in an age-appropriate understanding of the Catholic faith, in order to provide quality sacramental preparation, and a firm foundation for further growth as committed disciples of Jesus Christ and active members of his Church. Our students are educated to know, love, and serve God by loving and serving others, as Jesus commanded. Moreover, the faith formation provided in our program also invites the families, and especially the parents, of our students, to build a community of faith centered around the Eucharist.
